

Regional Air Connectivity

As part of Aero India 2019, the Indian National Academy of Engineering (INAE) organised an international seminar on 21 February 2019 with focus on *Regional Air Connectivity*, taking place

offsite at the Hotel Taj Yeshwantpur an hour away from the Air Force Station Yelahanka. Convener for the Seminar was Dr Abhay Pashilkar, Deputy Head of National Aerospace Laboratories, the

programme being carefully crafted to include both senior Indian Government officials as also International participants.

The star studded speakers at the Plenary Sessions were headed by Prof Roddam

The presidential address by Dr Sanak Mishra, President, INAE was followed by that of the Chief Guest Dr VK Saraswat, Member, NITI Aayog with Mr Jitendra J Jadhav, Director, NAL giving the vote of thanks.
